Dear Sir:

Your letter of the 18th at hand. Will you permit me to express my congratulations, and to wish the brightest of futures for your son.

I am not sure that it will be possible for me to mail a bbonze Paul Revere medal before the latter part of next week. There is a slight possibility that I can do so, however, and I shall make an effort.

With best wishes to your family,

Very truly yours,

Secretary

Dear Mr Noe:-

May I sincerely thank you for the message of congratulations over the arrival of the newest recruit. While the "guinea's" but the guinea's stamp", to speak numismatically, the lad is pure gold and I hope will be worth a full guinea.

We will look forward with interest to the arrival of the medal. I expect to have it gold plated and the kid will probably cut his teeth on it.

I have probably a dozen French Revolutionary coins. I wonder if they are of any value. I may send them to you.

Sincerely yours
Wm J Walker
